LOUTH.

Sobriety.—The Dundalk Democrat says:—
We are glad to learn that a spontaneous
movement in favor of sobriety has been com-
menced in Dundalk. The working classes
have begun to see the wretchedness which
intoxication had brought upon them, and
they are taking the total abstinence pledge.
The result is, that they have more comfort-
able homes, better food and clothes, and live
in peace and quietness with their neighbors.
We may state that excessive drinking is
the cause of three fourths of the crimes,
law suits, and beggary to be found in our
towns and cities.
